Your UC Santa Cruz Bill

Bills are posted on MyUCSC by the Student Business Services Office (SBS) about 1 month before each term starts. From the main menu go to “Accounts and Billing”. The bill is also available from the link to "Sallie Mae ePay" where check payments can be made online.

The statement you download will show accepted financial aid as “Anticipated Aid”. Reduce the amount you owe by the total anticipated aid to determine the remaining amount due. Financial aid you accept will credit your bill about a week before the start of each term. It will pay some or all of your charges.

Grant Permission

To ensure your aid pays miscellaneous charges such as course or lab fees, you must grant permission. On MyUCSC, under Finances select “View Student Permissions.”

Sign Up for Direct Deposit

Funds remaining after your bill is paid are refunded to students via check or Direct Deposit to your bank account beginning the first day of each quarter. The fastest way to receive funds is Direct Deposit (http://sbs.ucsc.edu/dirdepapp.html). If you don’t sign up for direct deposit, a check is mailed to the mailing address you provide in MyUCSC.

To Receive the Loans You Accept, You must...

- Use your FAFSA PIN to complete a Federal Direct Loan Master Promissory Note (MPN) AND Loan Entrance Counseling at www.StudentLoans.gov under “Manage My Direct Loan.” These are needed one time only the first time you accept a Direct Loan at UCSC.

- Complete a Perkins Loan Master Promissory Note from the link on the “Award Summary” page in MyUCSC if you accepted a Federal Perkins Loan.

- Also, complete required Perkins Loans Entrance Counseling online at http://sbs.ucsc.edu.

- Parents may apply for a Federal Parent Loan for Undergraduate Students (PLUS) and complete a PLUS Master Promissory Note online using their FAFSA PIN at www.StudentLoans.gov.

Part-time Employment

UC students are expected to invest in their education by taking loans and earning part of the funds they need to cover their costs.

Jobs on campus and in the city of Santa Cruz during the year are highly competitive and it is difficult to find employment. Working at home during summers and breaks is an alternative.

If you accept a Federal Work-Study offer, you are eligible to apply for part time work-study jobs but a position is not guaranteed. Begin your search early and check for new job postings periodically throughout the year.

Job Search Strategies

Check the jobs posted online at the Career Center website http://careers.ucsc.edu/ where some on campus jobs are posted as well as some jobs in the local community. Not all campus jobs are posted with the Career Center.

Another way to locate on-campus jobs is through networking. Examples include talking to students, staff and faculty

- at your college,
- in your dorm and dining hall
- in academic departments

The Career Center can help you with resume writing and job search strategies.
