

# UCSC Financial Aid Withdrawal Estimator

## for Students Thinking of Withdrawing

(Use only if you attended classes during the term. If you did not attend classes, all aid will be canceled for the term.)

TERM CALCULATION	
<b>Term withdrawing at UCSC</b> <i>(Change term if needed from the dropdown)</i>	
<b>Are you a new UCSC student in your first term?</b>	
Start Date	
End Date	
<b>Date of Withdrawal</b>	
Number of Days	
Total Number of Days in the Term	
% of term you were enrolled <span style="float: right;">*</span>	

**\*Note:** The calculated percentage reflects an estimate based on the term dates, however it may not be the official percentage used in the final withdrawal calculation. If the calculated percentage is greater than 60.1%, stop here. You are eligible to keep all your aid for the term if close to the 60% date in the term. Please consult a Financial Aid Adviser if additional information or calculation is needed.

**Estimate Your Financial Aid Adjustments – This tool provides an approximate estimate (not exact) of aid adjustments you can expect.** Enter the total award amounts you received for the term in the appropriate boxes below. You will find these amounts in MyUCSC Student Center. Click on Account Inquiry, then in the tab titled “payments”. (If you have multiple payments of the same award type, first add these together.)

Financial Aid Disbursed for the Term (Enter amounts for awards you received only )	Total Award Received	Revised Total Award	Amount for Which You will be Billed
