How Do I Pay for College?

There are several ways to pay for college, including self-help/family support and financial aid. Need-based forms of aid like scholarships are provided based on a student's financial need as determined by the financial aid application.

The University's goal is for the cost of attendance to be met through a partnership which includes:

SELF-HELP college savings accounts, summer employment and parental/family support through savings or borrowing, and

FINANCIAL AID money available from federal, state, university, and private sources to help students meet college costs. Financial aid helps fill the gap between the cost of attending college and the amount that students and their families can afford to pay.

ALL ADMITTED STUDENTS are automatically considered for UC Santa Cruz merit scholarships based on their admissions application. Apply for financial aid to be considered for other need-based grants, scholarships, and loan programs.

SUMMER EDGE Getting a Head Start

New students who want a head start can enroll in Summer Edge. Tuition is a flat fee per credit for all students, a savings of about \$9,000 for non-resident students. Find out more:

FINANCIAL AID PROGRAMS

UNDERGRADUATE GRANT PROGRAMS

Grants are awarded on an annual basis to students demonstrating greatest financial need. Grants do not have to be repaid if all eligibility criteria are met such as verification of the reported number in college on your aid application or good academic standing. For more information visit

<https://financialaid.ucsc.edu/types-of-aid/grants/index.html>.

- **FEDERAL GRANTS** The U.S. Department of Education awards Pell and the Federal Supplemental Educational Grants to eligible low-income students.
- **STATE GRANTS** The California Student Aid Commission awards grants and scholarships to cover tuition costs through programs like the Cal Grant and the Middle Class Scholarship. These programs have income and asset limitations.
- **UNIVERSITY GRANTS** are awarded by the University of California to resident students with the greatest financial need, after considering all other forms of grant assistance provided by federal and state programs. This also includes the Blue and Gold Opportunity plan for families with total incomes under \$80,000. This plan provides tuition assistance up to financial need as determined by your financial aid application.

WORK-STUDY PROGRAMS

Some students may receive a federal or institutional work-study offer as part of their aid package. Work-study helps fund a portion of your wages if you apply for and secure employment in a work-study job. There is no employment guarantee – jobs are competitive. Additionally, work-study is not required for all jobs on campus.

UNDERGRADUATE SCHOLARSHIPS

- **REGENTS SCHOLARSHIPS** are awarded to undergraduates at the University of California in recognition of outstanding academic achievement, regardless of financial need. Scholars who maintain GPA and academic progress requirements are eligible for \$5,000 per year for a maximum of four years for freshmen and two for transfer students.
- **CAMPUS MERIT SCHOLARSHIPS** are awarded to undergraduate students who demonstrate high academic achievement. Awards are \$2,000 per year for a maximum of four years for freshmen and two for transfer students.
- **UNDERGRADUATE DEANS AWARD AND SCHOLARSHIP** New non-resident students are considered for these scholarships based primarily on their academic achievement. Awards range from \$3,000 to \$10,000 per year, renewable for up to four years for freshmen and two for transfer students.
- **OTHER CAMPUS SCHOLARSHIPS** are donated by benefactors of the University. A variety of scholarships are available that recognize special attributes such as academic majors, special interests, and family background.

LOAN PROGRAMS

Loan eligibility is determined by the Financial Aid and Scholarship Office (FASO) based on state and federal regulations. Loans must be repaid. Loan limits, interest rates, and repayment terms are subject to change. Find out more about the following
