

American Rescue Plan Act (ARP) Disclosure

Quarterly Report as of June 30, 2021

Section 2003(7) of the American Rescue Plan (ARP) requires Recipient, an institution of higher education as defined in section 101 or 102(c) of the Higher Education Act of 1965, as amended (HEA), 20 USC § 1001 or 1002(c), to provide emergency financial aid grants to students in an amount equivalent to the sum of two amounts: 50 percent of the portion of its allocation that is based on formula factors from CRRSAA section 314(a)(1)(A)-(D) and 100 percent of the portion of its allocation that is based on formula factors from CRRSAA section 314(a)(1)(E)-(F). The amount of funds made available by this supplemental award under Assistance Listing Number (ALN) 84.425E represents the minimum amount that Recipient must use for making emergency financial aid grants to students.

Under the ARP (a)(1) programs, student portion funds must be used to provide financial aid grants to students (including students exclusively enrolled in distance education) which may be used for any component of the student's cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care), or child care. In making financial aid grants to students, an institution of higher education must prioritize grants to students with exceptional need, such as students who receive Pell Grants.
