

CRRSAA Act Disclosure

Quarterly Report as of June 30, 2021

Under CRRSAA section 314(d)(7), awards from the Proprietary Institution Grant Funds for Students Program may only be used to provide financial aid grants to students (including students exclusively enrolled in distance education), which may be used for any component of the student's cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care), or child care. In making such financial aid grants to students, grantees must prioritize grants to students with exceptional need, such as students who receive Pell Grants.

The Certification and Agreements for the CRRSAA funds provide that each institution applying for HEERF funds must promptly and timely provide a detailed accounting of the use and expenditure of the funds in such manner and with such frequency as the Secretary may require. Each HEERF participating institution must post the information listed below on the institution's primary website, as an initial report under the CRRSAA program.
