READ CAREFULLY!

Any outstanding charges not covered by my financial aid are my responsibility.

I acknowledge that as a UCSC student attending another UC campus during Summer 2017, my financial aid will be disbursed to me no earlier than 10 days before the start of the Summer Session for which I am enrolled. It is my responsibility to pay any outstanding charges with my financial aid at the campus I will be attending during summer 2017.

I understand I must be enrolled in a minimum of six units (for undergraduates) or 5 units (for graduates) to receive Summer financial aid funding.

If there is a prior debt on my UCSC account, Summer aid may be applied toward that debt before I receive a refund. Completing an Intercampus Summer Session Financial Aid Application does not guarantee my eligibility for financial aid during the Summer. I am responsible for paying any and all fees not covered by my financial aid.

I understand that my financial aid will be reduced/canceled if my enrollment changes. (A student is not eligible for financial aid if enrollment drops below 6 units for undergraduates and 5 units for graduates.) I will be required to repay any financial aid I received if my enrollment for summer drops below half time.

You will not be awarded aid until your enrollment at the host UC campus is confirmed.
